Network with national insurance company leaders, human resource leaders and insurance educators who are working on increasing the talent pool for the insurance industry.

Sessions

This is Insurance - Ten Minutes Talks

Ten minutes talks from professionals in the field of actuary, drones, gamification, and cyber security.

Panels

Young Professionals

Meeting young professionals in STEM careers in the insurance industry. Find out how they found their path to a great career.

Higher Education Insurance Programs

Meeting college instructors who are showing students the way to STEM careers in insurance.

Exhibitors

We will have exhibitors from national insurance companies and colleges that have risk management and insurance programs.

FREE Registration is required. There is no cost to attend the conference.
